SAMIAH HUSSEIN ALI BASHIR

Bachelor's Student in Data Analytics & Artificial Intelligence

0549105884 | samiahhussien78@gmail.com | Riyadh, Saudi Arabia

SUMMARY

Bachelor's student in Data Analytics and Artificial Intelligence with a strong passion for learning and practical training. Skilled in Microsoft Excel, Power BI, SQL, and basic Python. Seeking opportunities to gain hands-on experience, enhance my analytical skills, and create data-driven reports and dashboards that support effective decision-making.

EXPERIENCE

2021 – Present (4 Years)

Private Tutor

Freelance | Riyadh, Saudi Arabia

- Taught Mathematics and Arabic to elementary school students.
- Developed personalized learning plans based on each student's needs.
- Monitored students' academic progress and provided regular feedback to parents.
- Prepared worksheets and interactive educational activities.
- Maintained effective communication with parents through progress reports.

EDUCATION

In Progress (Expected in Two Semesters)

Bachelor of Data Analytics & Artificial Intelligence

Islamic University of Minnesota

PROJECTS

Power BI Dashboard

Designed an interactive employee analytics dashboard featuring KPIs, department performance, job roles, and performance metrics.

Excel Data Analysis

Cleaned and analyzed datasets using Power Query, PivotTables, formulas, and charts to generate meaningful insights.

SQL Database Project

Designed relational databases and wrote SQL queries using JOIN, GROUP BY, and other SQL statements for data analysis.

Python Data Analysis Project

Performed data analysis using Pandas and NumPy, and visualized results with Matplotlib.
